READERS' EXPECTATION

This document will provide the assessment methodology to be used thus for the participants of the ENTRE4ALL training programme to be awarded with Open Badges. Specifically, it will describe the questions and tasks that need to be accomplished so to acquire an Open Badge on each module and the assessment level of the trainees. The open badges along with the assessment methodology will be then integrated in the e-learning platform.

Each of the following modules will include 10 questions of a different type addressed to the trainees and in relevance with the module content:

1. Module 1 – Entrepreneurial Competences
2. Module 2 – Digital Competences
3. Module 3 – Financial Competences
4. Module 4 – Social Skills

The types of questions include:
