TRAINING FOR TRAINERS AND EDUCATORS

From 22 – 24 June, our train the trainer activity took place online. Participants included trainers and educators who will lead the piloting of the ENTRE4ALL training course as mentors. There were 24 participants from Austria, Cyprus, Greece and Slovenia. They were introduced to the ENTRE4ALL platform and training materials, and they gave valuable feedback to the project partners. All participants were awarded with the ENTRE4ALL Mentors badge.

ENTRE4ALL PLATFORM

The ENTRE4ALL Platform is now online and ready for use. It is available in English, German, Greek and Slovenian. People with disabilities, inspired to become social entrepreneurs, can acquire entrepreneurial, digital, financial and social skills there. After completing a module successful users are awarded with an open badge. The platform is available at:
